Tessengerlo NL Holding and Gulf Technologies form MPR Services Middle East WLL

(March 10, 2009--Houston, Texas)— MPR Services, Dickinson, Texas (MPR) announced today the formation of MPR Services Middle East WLL (MME), a joint venture between Gulf Technologies Holding Company WLL and TESSENDERLO NL HOLDING BV, Breda, Netherlands. MME is located in the Kingdom of Bahrain. MPR Services, Inc. will provide the management and operation of the reclaiming services in this joint venture. MME will serve the oil and gas industries in the GCC and Egypt and will be providing MPR's amine reclaiming services in this region. MME reports contracts have been executed on the first amine project, equipment is in place and initial cleaning will begin shortly.

MPR Services, Inc., a subsidiary of Tessengerlo KERLEY, Inc., (TKI), provides both mobile and permanently installed technologically advanced equipment, processes and analytical services for cleaning and recovery of amine and glycol solutions used in oil refining, gas processing, ammonia production and steel manufacturing.

Tessengerlo Kerley, Inc. headquartered in Phoenix, Arizona, produces and markets specialty chemical solutions, including fertilizers, crop protection chemicals and process chemicals and services to diverse markets in the United States, Mexico, Central and South America and selected European countries and the United Kingdom. TKI operates 10 manufacturing plants in North America, in addition to an extensive terminal network. (www.tkinet.com) TKI is a subsidiary of the Tessengerlo Group, Brussels, Belgium.

Tessengerlo Group is an international chemicals group with more than 100 branches in 20 countries. The group is a world and European leader in most of its product areas. Tessengerlo Chemie NV is listed on Eurolist by Euronext Brussels and is part of Next 150 and BEL Mid. (www.tessengerlogroup.com)
